

The Connect Young Professionals (CYPs) is a program sponsored by the Greenwood SC Chamber of Commerce Since 2007, CYP has provided opportunities for professionals, ages 21-40, to network and educate themselves on important issues facing Greenwood County. We are the go-to organization for young professionals looking to become more engaged in the business community through **professional development, community involvement, networking and social activities.**

CYP is led by a steering committee who are committed to cultivating a young and diverse workforce as a competitive advantage for our growing economy. As the leading voice for Greenwood area young professionals, CYP collaborates with local groups that share its commitment to attracting and retaining young talent in the business community.

CYP has a program of work that focuses on areas that will allow members to develop both personally and professionally to achieve overall success in their lives.
