Leadership & Professional Development

Our CYP offers avenues for YPs to explore and hone leadership, as well develop, professional skills. The “On the Menu” monthly lunch events connect YPs with key leaders, Non-Profits, and Businesses in Greenwood by hosting featured guest speakers who focus on topics like leadership and civic engagement. Join CYP to take your professional skills to the “Next Level” at our annual Summit, a half day program dedicated to professional topics important to Greenwood’s YPs. Close out the end of the year by celebrating Young Professionals who shine in both their personal and professional lives at our Under 40 Stars awards program.

CYP also has a presence at Chamber Business After Hours events to connect YPs to seasoned Greenwood Business Professionals. Other impromptu networking events take place throughout the year.
